

CFS-Filter Holding Frame

ADVANTAGES

- Robust rigid construction
- Pre drilled for easy assembly
- Filter holding clips can be easily replaced as required
- Modular design adaptable for all types of installations
- Location dimples in frame ensure correct filter fitting

Applications: Mounting air filters in air conditioning systems

Type: Front access filter holding frame

Construction: Galvanised steel

Gasket: Polyurethane

Filter Types: Pre-filters and header frame type filters

Filter Fixing: Using 4 corner mounted clips, to suit the installed filter.

Note: Remember to order the frame and the appropriate clips.

FRAME
